MEMORANDUM FOR: The Honorable William H. Sullivan
Chairman, Ad Hoc Committee on Vietnam

SUBJECT : Phung Hoang

25X1 1. I have received via the Saigon station the following personal message from [] which constitutes an initial response to our Committee's Phung Hoang paper which, per my memorandum of 21 January, was sent to the Mission via Agency channels:

"A. I have read with interest your working paper and after further study we will be developing a Mission position on the points you raise. In the meantime, please consider this an informal interim reply. Regarding the discussion part of the paper, we agree with most points. However, in certain important aspects, the paper has inevitably been overtaken by events. When your paper was written, of course, you did not have the benefit of the report regarding our 27 December meeting with the Prime Minister.

25X1 "B. As you know, [] will be available for consultation in Washington the week of 7 February. Also, [] will have returned from his TDY in Vietnam. I suggest you take advantage of their presence to talk to them about GVN plans to implement the Prime Minister's recent decisions and generally to discuss Phung Hoang. It should be understood, as [] 25X1 [] will explain in more detail, that every proposal we have made to the GVN about Phung Hoang has been motivated by a desire to improve the total anti-VCI effort and certainly not as the paper seems to imply to rationalize an early curtailment of the advisory structure.

"C. Reference your conclusions, we do plan to maintain a reduced advisory effort at national, regional, and in selected cases provincial levels through CY 72. A survey of anti-VCI training as you suggested was planned prior to receipt of your working paper and is in progress. Your final recommendation as to an ideal in-country advisory effort is not so easy to cope with considering the accelerated personnel draw-down now in progress. Here again I hope you will consult with [] who will report to me upon his return to Saigon. "

25X1

2. [] is now in Washington on consultation and mid-tour leave. If you have no objection, I would like to bring him with me to our Friday, 11 February, Committee session to express in somewhat greater detail the Mission's current thinking on the Phung Hoang issue. If this is agreeable, I would also recommend that Mr. Nooter arrange to have [] join us so that we can have a discussion of this matter in which both [] can participate simultaneously.

GVN PLANS TO IMPLEMENT THE PRIME MINISTER'S RECENT DECISIONS AND GENERALLY TO DISCUSS PHUNG HOANG IT SHOULD BE UNDERSTOOD, AS ~~PHUNG HOANG~~ WILL EXPLAIN IN MORE DETAIL, THAT EVERY PROPOSAL WE HAVE MADE TO THE GVN ABOUT PHUNG HOANG HAS BEEN MOTIVATED BY A DESIRE TO IMPROVE THE TOTAL ANTI-VCI EFFORT AND CERTAINLY NOT AS THE PAPER SEEMS TO IMPLY TO RATIONALIZE AN EARLY CURTAILMENT OF THE ADVISORY STRUCTURE.

25X1

(C) REFERENCE YOUR CONCLUSIONS, WE DO PLAN TO MAINTAIN A REDUCED ADVISORY EFFORT AT NATIONAL, REGIONAL, AND IN SELECTED CASES PROVINCIAL LEVELS THROUGH CY 72.

A SURVEY OF ANTI-VCI TRAINING AS YOU SUGGESTED WAS PLANNED. YOUR RECEIPT OF YOUR WORKING PAPER AND IS IN PROGRESS. YOUR FINAL RECOMMENDATION AS TO AN IDEAL IN-COUNTRY ADVISORY EFFORT IS NOT SO EASY TO COPE WITH CONSIDERING THE ACCELERATED PERSONNEL DRAWN-DOWN NOW IN PROGRESS. HERE AGAIN I HOPE YOU WILL CONSULT WITH ~~PHUNG HOANG~~, WHO WILL REPORT TO ME UPON HIS RETURN TO SAIGON. UNQUOTE. GP-1
